

The SC-F3000 is a robust direct-to-garment (DTG) printer that's designed for high productivity.

The SC-F3000 is a versatile DTG solution that enables users to quickly respond to incoming orders. It features high levels of accuracy and allows businesses to deliver quick turnaround times, while producing complex designs on a variety of light and dark cotton garments. This DTG printer also offers a low total cost of ownership (TCO) for mid/large garment and t-shirt production companies.

### Enhanced productivity

To complement the intuitive, highly-durable design, Epson has introduced elements to keep businesses running more efficiently. The auto platen gap adjustment feature detects surface height and allows for easy switching between garments of different thicknesses. The 1.5-litre bulk ink solution makes reloading and resetting ink a quick and easy job. Also, Epson's Production Monitor software provides ongoing printer status information on smart devices and PCs; this along with two user-replaceable PrecisionCore MicroTFP printheads, help improve uptime.

### Quality through innovation

Innovative technology helps to simplify production and increase quality levels. Ink droplet placement results in more stable and accurate printing and Nozzle Verification Technology (NVT) automatically checks whether all nozzles are firing accurately and intuitively compensates to ensure that high-quality printing is maintained.

### Built for reliability

Various integrated auto-maintenance features, such as the new wiper kit, the larger dust catcher and auto cap cleaning, help to reduce manual intervention.

### Eco-friendly printing

The inks meet the Global Organic Textile Standard (GOTS) and you're ensured that you can comply with the Oeko-Tex Standard 100 for high-standard safety ecological textiles<sup>1</sup>.

### KEY FEATURES

- **Bulk ink solution**  
Compact 1.5-litre ink pouches
- **Auto platen gap adjustment**  
Sensors to automatically detect garment surface height, for easy switching
- **Garment Creator software**  
For simple set up and quick production of personalised designs
- **Easy to use**  
User-friendly design with highly-intuitive 4.3-inch touchscreen
- **The complete solution**  
Includes printer, printhead, software and inks

## SUPPLIES

● UltraChrome DG White T47WA00 (1.5L)	C13T47WA00
● UltraChrome DG Black T47W100 (1.5L)	C13T47W100
● UltraChrome DG Cyan T47W200 (1.5L)	C13T47W200
● UltraChrome DG Magenta T47W300 (1.5L)	C13T47W300
● UltraChrome DG Yellow T47W400 (1.5L)	C13T47W400
● Maintenance Liquid T47WB00	C13T47WB00
● Cleaning Liquid for SC-F3000 (1.5L)	C13T44A900
● Head Cleaning Set S210105	C13S210105
● Anti-Drying Cap S210109	C13S210109
● Air Filter S210111	C13S210111
● Flushing Pad Set S210107	C13S210107
● Platen Grip Pad - L for SC-F3000	C13S210118
● Platen Grip Pad - M for SC-F3000	C13S210119
● Platen Grip Pad - S for SC-F3000	C13S210120
● Pre-treatment Liquid	C13T43R100
● Waste Ink Bottle 4L	C13S210071
● Maintenance Kit T736200	C13T736200

## OPTIONAL ACCESSORIES

- SureColor SC-F3000 Hanger Platen - Large  
C12C936241
- SureColor SC-F3000 Hanger Platen - Medium  
C12C936261
- SureColor SC-F3000 Hanger Platen - Small  
C12C936281
- SureColor SC-F2100 Extra Small Platen  
C12C933951
- SureColor SC-F2100 Polo Platen  
C12C933961
- SureColor SC-F2100 Sleeve Platen  
C12C933971

## LOGISTICS INFORMATION

SKU	C11CH74301B0
EAN code	8715946690056
Country of Origin	China

## SureColor SC-F3000

### WHAT'S IN THE BOX

- Bulk Ink Solution
- CD Manual
- Document Pack
- Ink set
- Main unit
- Maintenance Kit
- Medium platen
- Power cable
- USB cable
- Waste ink bottle
